A clear plastic bottle of OGEU water is shown splashing, with water droplets and bubbles surrounding it. The bottle is tilted, and the splash is dynamic. The background features a snow-capped mountain range under a blue sky, with a town of traditional European-style buildings in the foreground. The text "L'EAU DES PYRÉNÉES QUI FAIT PÉTILLER BORDEAUX." is written in white on the right side. The OGEU logo is in the bottom right corner.
